

## Non-Comprehensive List of Technical Service Providers

The following list of organizations and companies is provided solely as a resource and does not guarantee approval or endorsement as a technical service provider. Inclusion on or exclusion from this list should not be interpreted as an assessment of an organization's qualifications or status. It is the responsibility of technical service providers, growers, and landowners to ensure compliance with the General Waste Discharge Requirements for Discharges from Irrigated Lands.

If you would like to be added to or removed from this list, please contact VCAILG at [vcailg@farmbureauvc.com](mailto:vcailg@farmbureauvc.com)

For further questions or clarification, please contact the Regional Water Board at [rb4-irrigatedag@waterboards.ca.gov](mailto:rb4-irrigatedag@waterboards.ca.gov).

## Governmental/Grant Funding Agencies

### USDA Natural Resources Conservation Service

Brooks Engelhardt

(760) 217-9197

[brooks.engelhardt@usda.gov](mailto:brooks.engelhardt@usda.gov)

[Nrcs.usda.gov](http://Nrcs.usda.gov)

On-farm assessments to identify resource concerns and recommend suitable management practices. Development of Conservation Plans that align with the requirements of the Management Practice Plan (MPP).

### Ventura County Resource Conservation District

Jamie Whiteford

(805) 764-5132

[Jamie.Whiteford@vcrcd.org](mailto:Jamie.Whiteford@vcrcd.org)

[Vcrcd.org](http://Vcrcd.org)

Development of farm-level Management Practice Plans (MPP). Cost-Share Programs: Access to funding through grants or local programs to support practice implementation.

## MRP and MPP development, consultants, and Full-Service Project Engineering Firms

### 3-Bar Corp.
